

## DRY LAW FIGHT TO BE STATE-WIDE

Attorney Will Not Appeal Case,  
So Injunction in Every  
County Will be Required.

International News Service:  
EVANSVILLE, Ind., Feb. 19.—  
Injunctions must be issued in every  
county of the state to prevent en-  
forcement of the state-wide prohibi-  
tion law which becomes effective  
April 2.

This was the belief today of Lane  
B. Osborn, prosecuting attorney of  
Vanderburg county and defendant in  
suits brought by local liquor in-  
terests to test the constitutionality  
of the law, following the action of  
Judge Hostetter in overruling Os-  
born's demurrers to the complaints  
and declaring the law unconstitu-  
tional and void.

**Will Not Appeal.**  
At a conference with Atty. Gen.  
Stansbury, Osborn indicated that  
the case will not be appealed to  
the supreme court. This will place  
the liquor interests in a peculiar po-  
sition, as it would eliminate possi-  
bility of a state-wide injunction.

me, but one bottle  
of Favorite Prescrip-  
tion completely re-  
moved my pains and  
the change came on so easily that I  
was scarcely conscious of it. It is  
fifteen years since I took the 'Pre-

well as can be and have never had the  
least sign of weakness since.—Mrs. S.

carrier at Michigantown, where, it  
is said, he deserted his family a
